Dear Valued LLPH Clients and Colleagues:

First and foremost, we hope this email finds you safe and healthy.

During this unprecedented time, we want you to know that we are doing everything we can to make sure our firm continues to maintain our high level of service for our clients and colleagues, while keeping the health and safety of our employees and their families at the forefront.

We continue to monitor the Center for Disease Control and World Health Organization guidelines, among others, to make sure that our employees remain safe and healthy. We are also monitoring information regarding the courts. As of today, many Illinois circuit courts have instituted automatic continuances for most civil cases for up to 30 days. If this affects you directly, you will receive separate notification from your attorney regarding next steps.

Effective March 18, 2020, and consistent with CDC guidelines, our attorneys and paralegals will be working remotely until further notice. We are also cancelling all scheduled appointments or conferences in our offices through March 31. If this affects you directly, you will receive separate notification from your attorney or his/her paralegal regarding rescheduling. In many cases, a phone conference can be substituted in place of an in-person meeting. Similarly, documents can be delivered to our clients and colleagues for action without the necessity of a personal meeting. LLPH is committed to protecting our employees and clients, as well as the health of our fellow members of the community.

If you have any questions or concerns, please do not hesitate to contact our office at 847-295-8800. We are still here for you and we will get back to you as soon as possible. Thank you for your continued confidence in the LLPH team. We are all in this together. Please stay safe and healthy.

Sincerely,

Lesser Lutrey Pasquesi & Howe, LLP
